No.Dr.YSRAHCT/ 4832 /P&C(Circulars to NWHs)/2020, Dt 18.11.2020

Sub: Dr.YSRAHCT – P & C Dept., -Instructions to uphold the spirit of the Aarogyasri Scheme- Do not encourage treatment under cash mode for reimbursement under CMRF for Aarogyasri covered procedures– Disciplinary action against such NWHs - Instructions issued.– Reg.

Ref: 1. Hon'ble Chief Minister Review meeting held on 10.11.2020.
2. Note from Special officer to Chief Minister, Govt., AP dated 11.11.2020

The State Government has included 2434 procedures covering most of the health ailments under Dr YSR Aarogyasri scheme and enhanced the annual financial assistance for treatment under the scheme from 2.5 Lakhs to 5 Lakhs per family and further enabled all the families ,with up to Rs 5 lakhs annual income , to be eligible for getting the Aarogyasri health cards ,paving the way for Universal Health Coverage.

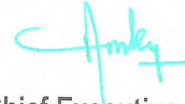

The Government has affirmed that the core objective of providing cashless treatment under Dr YSR Aarogyasri Scheme shall not be diluted in any manner and all the eligible beneficiaries must be encouraged to avail the free treatment under the scheme and further Dr YSR AHCT has been directed to take stringent measures against such incidents.

Measures to be taken by the Network Hospitals:

1. When a patient approaches the Network Hospitals, in the first instance, they have to verify whether the patient is an Aarogyasri card holder or not. And if the patient is Aarogyasri card holder then he / she must be provided end to end cashless treatment under Aarogyasri scheme.
2. If the patient is eligible beneficiary, but fails to bring the Aarogyasri health card, it must be kept in the notice of Aarogyamithra who in turn must assist the patient to avail the cashless treatment under Aarogyasri scheme with the help of other evidences like Aadhar card number or Aarogyasri card picture through whats app /other apps or UHID number.

3. .In case, if the treatment procedure/Specialty required for the patient is not available at the visiting hospital, such patients must be sent to aarogya mithras for further guidance and counselling ,so that such patients can avail free treatment in the nearest NWHs where such speciality is available.

In this regard, patients should not be denied cashless treatment under YSR Aarogyasri scheme under the pretext that patient has not brought the Aarogyasri card during the visits and if any such incidence of doing treatment under cash mode for Aarogyasri procedures ,informing the patients that same can be reimbursed under CMRF, will be viewed seriously. Any grievance / complaints, brought to the notice of Trust on any of the above grounds and proved to be genuine, then such network hospitals will be immediately **delisted from Dr YSR Aarogyasri scheme.**

**Chief Executive Officer,
Dr. YSRAHCT.**

To

The MD / CEO / Medical Superintendents of all the network hospitals.

The JEO(FOSS) for communication to the NWHs through DCs of Trust.
