**Cir. No.6 Dr. YSR AHCT/Operations/COVID/2021, Dated: 12.05.2021**

Sub: Dr. YSR AHCT –instructions for submission of pending COVID cases in NWH Hospitals – Reg.

Ref: Recommendations by Group of ministers for processing of pending COVID claims in the first wave.

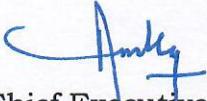

\*\*\*\*\*

It is noted that there are few network hospitals have represented to Dr YSR Health Care Trust and also through group of ministers that there are few cases pending at the network hospitals where treatment is done but the NWH is not able to submit preauthorization due to lack of staff and increased number of COVID cases during the first wave.

As per the recommendations by the group of ministers held on 12.05.2021, Dr YSRAHCT has instructed all the Medical superintendents/managing Directors/C.E.O's of all the Government and Private network to submit the following data to Dr YSR Health Care Trust through the respective district coordinators immediately within 24hours

1. Number of COVID cases treated during the first wave but preauthorizations not raised under Aarogya sri.
2. Number of COVID cases treated after raising preauthorization but auto cancelled due to failure of treatment schedule updation, discharge updation/biometric issues, claim submission.

The above may be treated as top priority for onward submission to the committee for taking further decision on processing these cases under Aarogya sri. Failure of non-submission by any institute shall be considered as no pending cases left for processing. All the private network hospitals are requested to prepare the list of these cases certified through the government nodal officer of the institute and the district collector concerned and submit it to Dr YSRAHCT within 1 week.

  
Chief Executive Officer,  
Dr. YSRAHCT.

To  
The MD / CEO / Medical Superintendents of all the network hospitals.

The JEO(FOSS) for communication to the NWHs through  
DCs of Trust.

The GM(PMU) to place the circular in the web portal of  
Dr.YSRAHCT.
